# MEMBERSHIP BENEFITS

# WE DIG NJ

# MEMBERSHIP

Just like our members, the **Utility & Transportation Contractors Association is in the business of building.** Our network of contractors, subcontractors, and allied industries work together to build New Jersey's infrastructure, and at UTCA, we work with you to build a stronger industry.

By joining the UTCA family, you're joining over 1,000 member firms active in all sectors and phases of heavy, highway, marine, site, utility and environmental remediation construction throughout the State. As a member, your firm immediately receives:

- **A STRONG VOICE** in legislative and regulatory matters
- **ACCESS** to safety, professional training & certification
- **ADVOCACY DURING** labor relations and negotiations
- **POWER TO INFLUENCE** specifications development
- **SAVINGS** through our group discount programs
- **GREATER SUCCESS** through individual problem solving
- **GROWTH OPPORTUNITIES** at industry networking events

# LEADERSHIP

It's no coincidence that the **titans of our industry have all been members.**

At UTCA, it's easy to get involved and have a seat at the table with the decision makers that directly effect your business. Our committees regularly hold meetings and forums with professional engineers, government agencies and departments, and elected officials.
