Re: Traffic Control Coordinator Designations- Extensions

To whom it may concern,

Traffic Control Coordinator (TCC) Refresher training has been temporarily halted due to the Covid-19 pandemic.

The New Jersey Department of Transportation in conjunction with Rutgers CAIT has agreed to extend the dates of Traffic Control Coordinator designations for those with TCC expiration dates between December 15, 2019 and June 15, 2020. The grace period for these expirations will be increased from the traditional 90 days to 180 days, effective immediately.

This letter shall suffice as proof of temporary extension.

Sincerely,
