UTCA Construction Safety Seminar

ATSSA Flagger Training Seminar

Saturday, January 28, 2023

7:30am - Registration & Continental Breakfast

7:45am - 12:00 Noon - Seminar Program

UTCA has scheduled a Flagging seminar on January 28th for all your field personnel who require Flagger training. The Flagger certification class teaches participants how to protect fellow construction workers, motorists and pedestrians by safely directing vehicle operators through traffic controlled construction zone. Many public and private construction owners are requiring that certified Flaggers be used on projects that contain active Work Zones.

This Flagging course is an American Traffic Safety Services Association approved seminar and upon successful completion of Flagger Certification class, including passing of a test, participants will receive a card from ATSSA certifying that they have successfully completed the course and can be employed as flaggers.

The registration fee for this seminar is \$150.00 per person. Those who complete the seminar will receive a certification valid for four years. The seminar will include a continental breakfast. This program will be held at the UTCA Conference Center in Wall, New Jersey.

Please contact Dan Neville at the UTCA office should you have any questions relative to this seminar program. Directions to the class location are available at: www.utcanj.org

Please utilize the registration form that is attached to register attendees.

**The UTCA Conference Center Is Located At:
2107 Rte. 34 S. Wall, NJ 07719**
